Good Neighbor Insurance

Multiple-trip health insurance for U.S. residents traveling frequently

Protect Your Health Around the World

WHAT IS TRAVELGAP MULTI-TRIP?

TravelGap® Multi-Trip provides the frequent traveler with international health insurance for multiple trips throughout the year. It is also a complete package of services to help you identify, access and pay for quality healthcare anywhere in the world.

TravelGap® Multi-Trip fills health and safety gaps internationally:

Insurance — Even if you are already enrolled in a health plan, your coverage is limited when you travel abroad. In fact, your plan may not pay to have you safely evacuated if you are critically ill.

Information — Where do you turn to learn which hospitals and physicians meet your standards? Keep up with breaking news about health and safety threats? Translate key medical terms and brand-name drugs?

Access to quality care — How do you find a western-trained, English-speaking doctor with the appropriate skills? How do you arrange a convenient appointment?

Each TravelGap® Multi-Trip policy includes broad, deep and reliable Global Health and Safety Services easily accessed through the web or HTH's toll-free customer service center.

WHY CHOOSE HTH WORLDWIDE?

Strength of a U.S. Underwriter

TravelGap® Multi-Trip is underwritten by HM Life Insurance Company, which is rated A- (Excellent) by A.M. Best Company. HM Life Insurance Company is part of HM Insurance Group, whose member companies work to provide health risk solutions for clients.

Better Coverage

Our plans have met the standards of state regulators and feature coverage more generous than plans sold as "surplus coverage" by foreign, nonadmitted insurers. For example, our plan covers every trip taken, up to 70 days in length. In addition, we do not impose precertification penalties for hospitalization. Lastly, we provide coverage for preexisting medical conditions and injuries related to a terrorist act.

Highest Standards of Service

HTH Worldwide is a leader in international health insurance and assistance. Every aspect of HTH insurance programs is designed to meet the highest expectation for quality and service.

10-Day Money-Back Guarantee

We are so confident in our products that we offer the best guarantee in the business! If you are not completely satisfied with your TravelGap® Multi-Trip purchase, return your ID card to HTH within 10 days of receipt and include a letter indicating your desire to cancel. If you have not departed on your trip before the date of the letter, you will receive a full refund.

HTH MOBILE HEALTHSM

PLAN SUMMARY

This Plan provides short-term, limited duration coverage while the Insured Person is temporarily away from Home. The Insured Person may not purchase insurance under this Plan for a Period of Insurance longer than 12 months. He/she may request coverage for additional Periods of Insurance of up to 12 months. The Coverage Area is any place that is anywhere in the world.

This Plan description provides a brief description of the types of benefits available under this Plan. It also contains many important terms (such as "Medically Necessary" and "Covered Expense") that are defined in the Certificate of Coverage. This description should be used only as a quick reference tool. The entire Certificate of Coverage sets forth, in detail, the rights and obligations of both the Insured Person and the Insurer. It is, therefore, important that the entire Certificate of Coverage be read carefully!

The "Insurer" of the insurance policy that funds this Plan is HM Life Insurance Company, Pittsburgh, PA or HM Life Insurance Company of New York, New York, NY.

The "Administrator" is HTH Worldwide, One Radnor Corporate Center, Suite 100, Radnor, PA 19087.

The term "Insured Person," means the Eligible Participant who purchased this insurance plus his/her Dependents for whom coverage was purchased.

Persons Eligible for Coverage: Eligible Participants and their Eligible Dependents are the only people qualified to be covered by this Plan. An Eligible Participant is a member of a Group who has submitted an enrollment form, if applicable, and has paid the premium for the insurance. An Eligible Dependent is a person who is the Eligible Participant's spouse; unmarried natural child, stepchild or legally adopted child who has not yet reached age 19; an unmarried child, of any age, who is incapable of self support due to continuing mental retardation or physical disability and who is chiefly dependent on the Eligible Participant; and an unmarried child, from his/her 19th to 22nd birthday who is a full-time student attending an accredited college, university, vocational or technical school, and who is fully dependent upon the Eligible Participant for support. An Eligible Participant or an Eligible Dependent must also be: (a) a resident of the U.S., (b) under Age 85 and (c) enrolled in a Primary Plan.

Primary Plan is a Group health benefit plan, an Individual health benefit plan or a governmental health plan designed to be the first payer of claims for an Insured Person. If Medicare is the Primary Plan, see the Certificate of Coverage to determine how this Plan will pay benefits.

Trip Coverage Start Date: The Insured Person's coverage under this Plan for a trip during the Period of Insurance starts as: (a) For a scheduled trip to a Foreign Country, when the Insured Person boards a conveyance at the start of the trip; and (b) For any other trip, when the Insured Person is more than 200 miles from his/her Home. Notwithstanding the foregoing, no coverage is in effect for a trip unless the Insured Person is scheduled to spend at least 24 hours away from Home.

Trip Coverage End Date: The Insured Person's coverage under this Plan for a trip ends: (a) For a scheduled trip to a Foreign Country, when the Insured Person alights from a conveyance at the completion of the trip; and (b) For any other trip, when the Insured Person is less than 200 miles from his/her Home. In no event will coverage for a trip extend past the Maximum Trip Coverage Period of 70 days.

Excess Coverage: This Plan will reduce the amount payable by the amount to which the Insured Person is entitled, whether or not a claim is made for the benefits.

Deductible: The Deductible amount per Insured Person per Period of Insurance is shown in the Matrix. This Deductible is the amount of Covered Expenses the Insured Person must pay for any Covered Expenses incurred for services received. The Deductible is waived for medical services provided by the HTH International Healthcare Community of Providers

HTH International Healthcare Community consists of physicians, dentists, mental health professionals, other allied health professionals, hospitals, health systems and medical practices in countries throughout the world, all dedicated to providing high quality medical care to international travelers, employees and students. The providers are accessed through the HTH online database or through the HTH customer services.

(Plan Summary continued on reverse side.)

The benefits of this Plan will be provided for each Insured Person for a covered Illness or Injury and for those services that are Medically Necessary and for which the Insured Person has benefits. (The fact that a Physician prescribes or orders a service does not, by itself, mean that the service is Medically Necessary or that the service is a Covered Service.) The Insured Person may telephone the Administrator at the number shown on his/her identification card if he/she has any questions about whether services are covered.

Choice of Hospital and Physician: Nothing contained in this Plan restricts or interferes with the Eligible Participant's right to select the Hospital or Physician of the Insured Person's choice. Also, nothing in this Plan restricts the Insured Person's right to receive, at his/her expense, any treatment not covered by this Plan.

Trip Coverage Period Maximum Benefit: The combined total of all medical benefits paid to the Insured Person is limited to the amount shown in the Matrix during each Period of Insurance and Trip Coverage Period.

3. For Medical treatment received in the Home Country, if NOT covered by Other Plan, 100% of Covered Expenses up to the amount shown in the Matrix per Trip Coverage Period;

5. For Dental Care required due to an Injury, 100% of Covered Expenses up to \$200 per Trip Coverage Period and \$200 per tooth; For Dental Care for Relief of Pain, 100% of Covered Expenses up to \$100 per Trip Period and \$100 per tooth.

PLAN SUMMARY CONTINUED

under this Plan. The fact that a Physician prescribes or orders equipment or supplies does not necessarily qualify the equipment or supply for payment. Rental charges that exceed the reasonable purchase price of the equipment are not covered.

13. Complications of Pregnancy, as any other medical condition; and
14. Treatment received from Foreign Country Providers

Accidental Death And Dismemberment Benefit: This Plan will pay the benefit stated below if an Insured Person sustains an Injury resulting in any of the following losses within 365 days after the date the Injury is sustained: Loss of life - 100% of the Principal Sum and Loss of one hand, one foot or sight in one eye - 50% of the Principal Sum. Loss of one hand or loss of one foot means the actual severance through or above the wrist or ankle joints. Loss of the sight of one eye means the entire and irrecoverable loss of sight in that eye. If more than one of the losses stated above is due to the same Accident, this Plan will pay 100% of the Principal Sum. In no event will this Plan pay more than the Principal Sum for loss to the Insured Person due to any one Accident. There is no coverage for loss of life or dismemberment for or arising from an Accident in the Insured Person's Home Country. The Principal Sum is shown in the Matrix.

Repatriation of Remains Benefit: If an Injury or a Sickness results in the Insured Person's loss of life outside the U.S., this Plan will pay the Reasonable Expense incurred for cremation or for preparation of the body for burial in, and for transportation of the body to, the Home Area up to the amount shown in the Matrix. Payment of this benefit is subject to the Exclusions and Conditions on Eligibility for Benefits.

Transportation must be by the most direct and economical route. However, before the Insurer makes any payment, it requires written certification by the attending Physician that the evacuation is Medically Necessary. No benefits are payable under any other provision of the Policy for expense incurred by the Insured Person on and after the date of the evacuation to the Insured Person's home area. Evacuation of the Insured Person to his or her home area terminates further insurance under the Policy for the trip. The Insurer will pay Reasonable Charges for escort services if the Insured Person is a minor or if the Insured Person is disabled during a trip and an escort is recommended in writing by the attending Physician and approved by the Insurer. Any expenses for medical evacuation require the Insurer's prior approval.

Bedside Visit Benefit: If the Insured Person is Hospital Confined due to an Injury or Sickness for more than 7 days while traveling outside the U.S., this Plan will pay up to a maximum benefit of \$1,500 for the cost of one economy round trip air fare ticket to the place of the Hospital Confinement for one person designated by the Insured Person. With respect to any one trip, this benefit is payable only once for that trip, regardless of the number of Insured Persons on that trip. No more than one (1) visit may be made during any 12-month period. No benefits are payable prior to the end of the 7-day Hospital Confinement. No benefits are payable unless the trip is approved in advance by the Administrator.

Extension of Benefits: No benefits are payable for Covered Expenses incurred after the date the Insured Persons coverage under this Plan terminates.
